The Seavingtons' News

This village magazine is apolitical yet it is impossible for me to not express my pleasure at our nation reaching the end of a long, divisive and, at times, tedious national election campaign. Only time will demonstrate the wisdom of our choices.

I plan to reflect and relax over the holiday period and trust that all our readers will feel able to do the same. Let us hope that those in charge of our weather allow us to get out and about for our visits to church, relatives and friends.

It is not political to criticise those public employees who, judging from our "Village Voice" column and the Parish Council reports, are failing to ensure that the roadworks at the entrance to Falcon Close are completed. Leaving things as they are is an invitation to a catastrophic road traffic accident.

As you will see on page 16 our Parish Council cannot even find a department at County Hall which admits responsibility for not dealing with this matter expeditiously. It is, of course, well known that the local dialect spoken at County Hall has no word conveying the same sense of urgency as mañana! Is this not an issue which our elected County Councillor should be pursuing as a matter of urgency?

On that, rather defeatist, note may I wish all our readers and their families a healthy, successful and happy 2020?

Village Voice—letters to the editor

The Seavingtons' News wants to hear and publish your views on both the "News" itself and topics of importance or interest to our community. Please send your letters to the address on page 1. All opinions and views expressed are the sole responsibility of the writer and do not reflect the views of The Seavingtons' News. For legal reasons we must have the name and address of the writer but can normally publish over a pseudonym on request.

Dear Editor,

We refer to the letters from Kelly Broome and Carol Talbot published in the December 2019 issue of The Seavingtons' News.

The problem of speeding through the village has been with us for at least 45 years. Letters have been written to District and County Councillors and also the Chief of Police for Somerset. The Parish Council has also written to the relevant authorities. However, our, so called, "Public Servants" always have more interesting fish to fry or prioritise the interests of larger communities with more voters.

The bollards were supposed to slow traffic to permit safe road crossing but these are ignored by drivers in the same way that they ignore the recently painted 30 MPH signs on the road and the statutory speed limit signs.

We would like to suggest the provision of an advisory 30 MPH sign between Loxtons and St Mary's Church and a pedestrian operated crossing outside Falcon Close. A permanent speed camera might usefully earn the village a reputation of "don't do it".

Mary & Peter Wyatt

Annie Prichard would like to wish everyone a happy Christmas and a healthy New Year. Grateful thanks for all your good wishes these last three months. Hope to see you again next year.

Love and prayers.

Annie

Back in the days of tanners and bobs

When Mothers had patience and Fathers had jobs.
When football team families wore hand me down shoes,
And T.V gave only two channels to choose.

Back in the days of three penny bits,
when schools employed nurses to search for your nits.
When snowballs were harmless; ice slides were permitted
and all of your jumpers were warm and hand knitted.

Back in the days of hot ginger beers,
when children remained so for more than six years.
When children respected what older folks said,
and pot was a thing you kept under your bed.

Back in the days of Listen with Mother,
when neighbours were friendly and talked to each other.
When cars were so rare you could play in the street.
When Doctors made house calls and Police walked the beat.

Back in the days of Milligan's Goons,
when butter was butter and songs all had tunes.
It was dumplings for dinner and trifle for tea,
and your annual break was a day by the sea.

Back in the days of Dixon's Dock Green,
Crackerjack pens and Lyons ice cream.
When children could freely wear National Health glasses,
and teachers all stood at the FRONT of their classes.

Back in the days of rocking and reeling,
when mobiles were things that you hung from the ceiling.
When woodwork and pottery got taught in schools,
and everyone dreamed of a win on the pools.

Back in the days when I was a lad,
I can't help but smile for the fun that I had.
Hopscotch and roller skates; snowballs to lob.
Back in the days of tanners and bobs.

A view from the field

Chris Gough – SPFA Chairman (spfa@theseavingtons.org)

Well, by the time you are reading this, it may almost be Christmas, so I'll start by saying a very Merry Christmas and a Happy New Year to you all.

2020 will be another busy and hopefully very successful year for the Playing Field and Millennium Hall with a number of key events and activities taking place:

- ◇ The hedging whips planted in November by some of our local Children and the Home Education students under the watchful eye of our very supportive Tree Warden, Phil Gordon-Smith should be starting to grow. Even though the weather was unkind to us on the day, everyone enjoyed the planting session and I'm sure that each of the children will be checking on their individual plants regularly.
- ◇ In memorial to Michael Harrison, the SPFA have purchased a small tree that will be planted next to his parents' memorial bench on the Playing Field. Many thanks go to Dave Retter and Peter Ash for renovating the bench and we are now planning to install an extra plaque in memory of Michael on his parents' bench during the Summer.
- ◇ The new footpath around the field continues to be very well used and we continue to receive unsolicited highly complimentary comments, particularly from people with mobility issues for providing safe access to level and dry paths particularly during the winter months. In addition, it's also great to see the path being used by young children learning to ride bicycles under supervision and also being used as a safe place for joggers to run. We have had a lovely email from Ry Coffman, who some readers will recall was instrumental in designing and planning the two paths. As it was only the financial constraints of the time which held back what is now the new path, she is delighted that we have been able to achieve her dream, all thanks to "The Peoples Postcode Lottery" which fully funded it. We hope to be able to formally "open" the path sometime in the Summer.
- ◇ Don't forget that the Caravan and Motorhome Club Concert Band will again be holding its summer rally on the field from Sunday 26 July to Sunday 2 August. Various events are being planned for the week and I'll be able confirm more in due course,

but do keep Friday 31 July free for the repeat booking of “Baron Von Schmidt-Haus” and then again on Saturday 1 August for the ever popular proms concert by the CMCCB, both of which will be in the Millennium Hall!

- ◇ The final few grant applications have now been submitted to a variety of organisations in respect of the Children’s Play Area. We already have firm commitments or cash in the bank for about two thirds of the necessary funds for our full play equipment scheme. Depending upon the outcome of these remaining grant applications, we will either be able to complete everything as planned or will revise our requirements to fit the available finances. In any case we are working towards being able to place an order with the play equipment suppliers early in the Spring, with installation commencing shortly afterwards. Again, we’ll be looking to formally “open” the new playground sometime in the Summer.

With all this activity going on, particularly in respect of the projects that we have either completed, or are working on around the Playing Field, our SPFA financial reserves are being seriously depleted and whilst we know that the Parish Council (who have no formal responsibility for the Playing Field or Millennium Hall), and other groups will continue to support us, we shall need to build up our reserves again before embarking on overdue renovation work to the Millennium Hall. We would welcome a new volunteer to co-ordinate the phasing and execution of this work. Preferably this volunteer would attend some committee meetings.

The Hall and Playing Field, as reported at the AGM are operating slightly above breakeven so we have no current issues with our operational revenue account, just our depleting reserves. So, on that note, if anyone would like to run a fund-raising event on behalf of the SPFA, (which is effectively fund raising directly for the benefit of our local community), then please do come and have a chat. We’ll provide all the support and assistance we can in terms of logistics and facilities to make it a success for all of us but we don’t have the manpower to do this ourselves, since many of our committee members are representatives of other village organisations which use the hall, and therefore can often have other priorities when it comes to fundraising.

As always if you have any questions or comments, I can be contacted using the email spfa@theseavingtons.org

The Tree Planting

On 23rd November the SPFA planted trees on the playing field with the help of some children in the village. This was part of National Tree Week which is run by The Tree Council, who also provided us with a grant to purchase the trees.

Hopefully, these two pictures help to capture the day.

First of all may we wish you all a very Happy New Year! Thank you for your support in 2019 and we look forward to welcoming you in 2020. As it says in this month's Shop advertisement - whatever the weather the Shop and Cafe are here to help you. Even if it snows we will be open!

There was a full house for the Autumn Quiz and the event was very successful on two counts. Firstly we made an amazing profit of £740 - this is a very good contribution to our Shop funds. Secondly we all had fun - even if some of the questions were hard! Thank you for your support. Also our thanks to Ian Pamplin our Quiz Master and to all the team who helped organise the event.

Our next fundraising event is -

Seavington Gardening Club

Kate Mulligan (01460 6242023)

Review of 2019

Here we are again having completed yet another successful year in the Gardening Club calendar. We finished with a record 98 members on our books and will be making every effort to reach the magic 100 in 2020.

We began the year with a talk by James Cross who is the head gardener at the Bishop's Palace in Wells. The following month there had to be a very hasty re-shuffling of dates as our speaker was involved in her village pantomime production. So two weeks later than advertised Sally Nex gave us an extremely useful insight into garden pests. After the AGM in March we had a Gold Club talk on roses followed in April by Georgie Newbery with a demonstration on making hand tied posies. By September we were back in the Millennium Hall to continue being entertained by people like Mickey Little from Avon Bulbs, Rosy Hardy from Hardy's Cottage Plants in October and then finally in November Alan Power from Stourhead.

Summer visits included Forest Lodge near Wincanton, Charles Dowding's garden at Homeacres near Shepton Mallet and a beautiful garden at Broomhill near Rampisham in Dorset.

In between all this there was still time to squeeze in two discount shopping events, one at Brimsmore Garden Centre in April and one at the Castle Gardens garden centre in Sherborne in September. We also managed to fit in a coach trip to Sir Harold Hillier Gardens near Romsey in June as well as the annual Plant Sale in May and the Flower Show in August plus our Christmas Lunch at Dillington House in December. A pretty packed year by anyone's standards.

Photographs of all the above events are on our Facebook page or the village website at:

www.theseavingtons.org/picture-gallery/

A massive thank you must go to the Committee for all their hard work throughout the year planning and organising the events. Also a huge thank you to every one of our helpers and volunteers who make sure things run smoothly on the day. Finally, of course, many thanks to all our members because we wouldn't have a gardening club without your continued support.

We have an equally busy programme ready for 2020 and so we very much look forward to seeing you at the Millennium Hall in January to start things off.

Forthcoming Events

Thursday 9th January at 7.30pm in the Millennium Hall a talk on "Hestercombe Gardens" by Claire Greenslade who is head gardener. Doors open 7.00pm with refreshments being served before and after the talk. Visitors welcome - £2 payable at the door. Annual subscriptions £8 will be due at this meeting so why not consider becoming a regular member and take advantage of the benefits on offer.

Flower of the Month Competition starts all over again so remember to bring along a single stem of your flower of choice.

Consultation on School Admissions

A six week consultation on school admissions arrangements for children who are due to start, transfer or move schools during the 2021-22 school year is currently taking place.

This consultation applies to the admission arrangements for those schools and academies who have contracted with the Local Authority to consult on their admission arrangements on their behalf.

This consultation allows parents, early years settings, schools, religious authorities and the local community to make any comments on proposed admission arrangements.

To view the consultation (live from 9 December) you may visit <https://www.somerset.gov.uk/education-and-families/school-admissions-policy/>

Parish Council News – December 2019

Pauline Parsons (parishcouncil@theseavingtons.org)

Parish Councillors would like to wish all residents a very Happy New Year.

County Highways - The blocked pipe under the entrance to Hazelwood will hopefully be cleared by SSDC, at a cost to the Parish Council, as County Highways have refused to do this. To clear the ditch but not ensure that a pipe is free flowing does seem rather silly!!! However, it seems that some works are to be carried out in January as we have received a 'Road Closure Notice' for Church Lane. We have not been advised as to the works to be carried out but can only assume that it may be the promised works to the pavement. Watch this space!!!

Small Improvement Scheme – At the time of writing it would seem that most of the works have now been completed. However, the old speed restriction sign as you leave the village travelling to Ilminster to the west of Falcon Close is still in its original place and has not been moved to be opposite the new village gate way. This has been taken up with County Highways. There is a general feeling that the white lining has, for the time being, made traffic slow down through the village.

Falcon Close – The Parish Council are still no further down the line in trying to resolve the issue of the frontage of the development which should be a footway – not a layby. The formation of a footway was part of the original planning consent. However, at the time of writing we are being advised that the Developer has sent the necessary paperwork to County but we are unable to get a response as to who is actually dealing with it in County Hall. So far we have three different departments contacting us but none seem to be actually dealing with the problem. We will continue to pressurise County on this issue but it is difficult when no-one seems to be taking ownership as to finding the way forward.

Planning - Nothing new since the November news but Parish Councillors are still trying to ascertain why a number of applications in the villages are taking months to decide, instead of weeks.

Village Car Park - Due to the problems that are being experienced on the Car Park opposite the Volunteer Inn, it is likely that the Parish Council will be considering the possibility of actually setting rules and regulations for its use which could involve a time limit. Councillors are looking at other Car Parks in the locality to see how they operate.

V E Day Celebrations – 8th – 10th May 2020 - Nothing further to report but hopefully more details of the planned weekend will be in the January/February issue of The Seavington' News. If you are planning anything please let the Parish Council know who have agreed to co-ordinate a programme of events.

Purchase of our own SID – We are still hoping to purchase and erect our own SID. However, it would seem that one nearby parish is in discussions with County following the directive that has recently been sent out stating that no smiley faces will be allowed. As South Petherton and Lopen already have ones with Smiley faces we just wonder why County can stop anymore being erected. It only seems to be Somerset County Council that has a problem with them.

Setting of the Council Precept for the year 2020-2021 - At the January meeting [Tuesday 21st] we will be making the final decision as to what precept [ie monies needed for the maintenance and support of village projects which comes directly to the Parish Council] will be made. If any organisation, or group know of or have any plans they may hope to carry out that may need Parish Council support please let the Parish Council know before that date so that any significant amounts can be levied through the Parish Precept.

**Somerset County Council

Temporary Closure of Church Lane**

TAKE NOTICE that in pursuance of Section 14(1) of the Road Traffic Regulations Act 1984, as amended by the Road Traffic (Temporary Restrictions) Act 1991, the County Council of Somerset propose to make an Order **PROHIBITING ALL TRAFFIC** from proceeding along **Church Lane** from **the junction with Water Street** to **the junction with New Road** for a total distance of **266 metres**.

This order will enable Somerset Highways to carry out footway works

The Order becomes effective on **14 January 2020** and will remain in force for eighteen months. The works are expected to last for **14 days, including the weekends**.

Please visit www.one.network for further information on the alternative route.

A Happy New Year to you all! As we begin to look forward to the excitement of a new term, we also take this opportunity to remember the very busy end of last term.

The children from Seymour Class, with friends from St Mary's and St Peters School, had a really wonderful three days on their residential trip to Kilve Court and all returned tired and happy with bags of wet and muddy clothing and many tales to tell of grass sledging, beach walks and muddy stream walks and delicious food!

It was lovely to be joined by families and members of the community for our Christingle and Christmas Services in the church. All the children played a part in the services with readings by children of all ages, super singing and wonderful costumes for the nativity.

Due to the generosity of Shepton Beauchamp Trust and the Parish Council we have been able to replace old and very well-worn reading books. We are now in the process of beginning to redevelop the Early Years Outdoor Learning Area and have plans for a new mud kitchen and accessories which the children will love! Thank you to FOSS for helping to fund part of this.

Finally, a very special member of our staff has made the decision to leave her job as Coles Class Teaching Assistant to spend more time with her family. Maggie Luffman has been at the school for 14 years and parents, children and staff will all miss her kindness, love and support for us all. We will miss her 'magic chair' too!

FOSS (*Friends of Shepton School*). Thank you to everyone who came to the Wine Tasting Evening – great fun! We really enjoyed supporting the Pre School with their Crafty Christmas Morning. Thank you to Avon Bulbs, Mid-Lambrook for their generous donation of bulbs for the learning garden, we are looking forward to seeing the results of our planting in the spring.

We hope 2020 is a very happy year for you all.

ASSOCIATION of
REFLEXOLOGISTS

St Margaret's Support Groups Taunton and Yeovil

St Margaret's Support Groups are open to anyone affected by a life-limiting illness – patients, their families and friends. As well as providing an opportunity to meet others in similar situations, our trained volunteers can offer visitors:

a listening ear ◊ provide free information ◊ help signpost to other services
 The groups are run on a drop-in basis – there is no need to book or to be referred

Or perhaps you would like to become a volunteer to help run these groups?

**St Margaret's Hospice, Taunton TA1 5HA Thursdays 2pm-4pm
 Octagon Theatre, Yeovil BA20 1UX 10.30am – 12.30**
